Description of Proposed Works

Please describe the proposed works

Replace only 3 existing windows to the rear existing modern extension of the house. Currently, these are white, single-glazed timber sash windows of poor quality. I am proposing to replace them with high-quality double-glazed aluminum dark grey/black casement windows. The proposed windows will match the existing french doors and glazed roof of the modern extension. This will also help to provide a more coherent look to the modern extension and the original building will stand out even more from the modern extension. The three rear windows are not visible from any public street and are at the rear of the property. One of the three windows is not even visible from any neighbours as it is located on a side elevation within a recess, only viewed from the interior of our house. The proposed windows are of high thermal performance achieving a U value of 1.4 with 28mm double-glazed glass and are provided with a trickle vent fully complying with current Building Regulations. Also, first-floor windows will have special hinges to be fully open for escape.

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
