Dear Sir/Madam,

I am writing to express my objection to and alarm at the above planning application + listed building consent application. The proposals cause significant harm to the listed building and the setting of the portion of the listed building that is being retained. The scale and massing are entirely incompatible with the site and its' context. The changes that the applicant has made to the proposals since they were first published do nothing to mitigate these concerns.

Kind regards,

Dr Jan Kattein
