The plan shows the Broxwood buildings and surrounding landscape. It is divided into six planting zones, each with a specific color and boundary:

- ZONE A** (Cyan): Located at the bottom right, adjacent to the main building and a new paving area.
- ZONE B** (Red): Located at the bottom left, near a new hedge and existing lawn to be retained.
- ZONE C** (Purple): Located on the left side, near a permeable surface and new paving.
- ZONE D** (Orange): Located in the center, near a new paving area and existing lawn to be retained.
- ZONE E** (Green): Located at the top left, near a lightwell and existing lawn to be retained.
- ZONE F** (Blue): Located at the top right, near a lightwell and existing lawn to be retained.

Other features include:

- EXISTING LAWN AND PLANTING TO BE RETAINED**: Several areas of existing lawn are marked for retention.
- NEW PAVING**: Several areas of new paving are indicated.
- NEW HEDGING**: A new hedge is planned along the bottom boundary.
- EXISTING TREES**: Numerous existing trees are shown with their root protection zones (dashed orange lines).
- NEW TREES**: Several new trees are planned, marked with green circles and crosshairs.
- PERMEABLE SURFACE**: A permeable surface is indicated near Zone C.
- Lightwells**: Two lightwells are shown near the top of the plan.
- Broxwood Way**: A road is shown on the left side.
- No. 34 ST EDMUND'S TERRACE**: A neighboring property is shown on the right.
