Subject: Planning application 2022/4190/P

Dear Sam Fitzpatrick and the Planning Team

I did send an email on this topic a while back but understand it may not have reached you so I am hereby sending a repeat message just in case.

I am writing to object to the planning application **2022/4190/P** regarding placing telecoms apparatus (including 6 antennae) on the roof of Crestview in Highgate Ward which I represent as Ward Councillor.

Although the revised plans demonstrate a reduction in the size and height of the apparatus, the scale remains likely to have a significant impact on the skyline in the Dartmouth Park Conservation Area and – more specifically – on the setting and context of the neighbouring protected building, Grade 11 listed St Mary Brookfield Church.

With thanks,

Anna Wright
Labour Councillor for Highgate Ward
Cabinet Member for Health, Wellbeing and Adult Social Care
