2023/0235/PVL	Linus Rees	23/01/2023 10:39:15	OBJ	<p>Charlotte Street Association objects to this application for tables and chairs to be placed in the carriageway on the "streatory" under a PVL.</p> <p>The premises, we understand, has been the subject of numerous complaints of noise nuisance and breach of their conditions of their premises licence.</p> <p>It is often forgotten, or disregarded, that Charlotte Street is a mixed-use street with many residents living above commercial premises. Between the junction with Percy Street and Goodge Street on the east side of Charlotte Street there are around 40 homes.</p> <p>Use of outside areas for licensable activities inevitably causes some amount of nuisance for local residents but it is made much worse when supervisors of premises do not ensure that the conditions of any licence is adhered to.</p> <p>For the above reasons the application should be refused. If officers are, however, minded to allow the application then its hours of operation should terminate at 6pm.</p>
