Dear Mr Dempsey,

This is from Roger Colman of 7 Eglon Mews London NW1 8YS,

regarding making a comment about the above application for 6 Eglon Mews.

I made comments, by email, regarding the proposed construction and placement of a balcony

for No. 6 , outlined in application ref 2021/3103/P.

The Council granted permission, dated 29/10/2021 for the application's proposals.

But, Under Reasons for granting permission , the first paragraph stated:-

"The proposed alterations including creation of a dormer window in the front roof slope and associated alterations to the roof are considered acceptable in terms of scale, design and materials. Initially the scheme had also included a proposed balcony, however this has been removed from the scope of the development."

I guess I'll now have to send in very similar comments about the proposed balcony in 2022/4651/P

as I made over 2021/3103/P if I want my views taken into consideration once again.

You do provide a comment box but my email comments were very long regarding 2021/3103/P

and I don't really want to type them all into the comment box.

Perhaps I could somehow cut and paste much of my original email into your comment box

though I'm not technically confident to do that.

If I were to send comments regarding 2022/4651/P in an email, would you be able to cut and paste them into a comment box on my behalf?

Thank you.

With kind regards

Yours faithfully

Roger Colman, 7 Eglon Mews, NW1 8YS
