

**REDINGTON FROGNAL**  
NEIGHBOURHOOD FORUM

29 January 2023

Dear Mr. Campbell,

**Planning application 2022/5020/P – objection**

The Redington Frogna! Neighbourhood Forum objects to this application due to non-compliance with Neighbourhood Plan policies.

Policy SD 1

Policy SD 1 requires that,

"Redevelopment or extensions to the existing building stock should include consideration of all of the following, as appropriate:"

The proposal does not take account of the following sub policies:

- iii. The achievement of a net gain in biodiversity is strongly encouraged.
- v. "The creation of garden development and building extensions should be in accordance Policies SD 2 to SD 5, and maximise the area of soft, natural landscaping, to act as a carbon sink and help mitigate climate change and the urban heat island effect."

Further information is available in Application section 4.2.

Policy SD 4

Sub policy viii requires that "Landscaping should be an integral part of the design and layout of development and should include trees and other planting using species with a high value to biodiversity, as set out in section 6.2 Planting Guidance to Enhance Biodiversity and Conservation Area Character."

Policies BGI 1 and BGI 2

The site is part of an ecological network and lies within a bat foraging and commuting area and it is therefore of particular importance that all sub policies of BGI 1 and BGI 2 are embraced.

Yours sincerely,

A solid black rectangular box used to redact the signature of the Secretary.

Secretary
