Details of the pre-application advice received
Dear Robert,
Thank you for the drawings and apologies for the delay in coming back to you properly.
I have reviewed this with my team and we are happy with the suggested changes to the rear decking area.
I would suggest make a either a minor material amendment to the 2009 permission (2009/0099/P) or submitting a new householder planning application to regularise the alterations to the rear terrace. Ideally an application should be made within the next 21 days.
If you have any questions please let me know.
Kind regards
Katrina Lamont Senior Planning Officer
Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member (c) related to a member of staff
(d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
