**Subject:** Permission to prune Willow in Conservation Area

Dear Sirs

**Weeping Willow: 3 St Mark's Crescent NW1 7TS**

I am applying for permission to reduce the Weeping Willow in my rear garden by the canal by 2-3 metres back to the previous reduction points. It was last pruned 2 years ago, and has regularly been pruned every 2 years so is well known to you.

With thanks

Yours sincerely

Sue Bolsom
