### **Householder Application Granted**

Address:  
**18 Frognal Way**

Proposal: Erection of a single storey ground floor level (2nd floor level to rear) side extension.

Drawing Nos: PL-A-501 Rev. P02; PL-A-502 Rev. P02; PL-A-503 Rev. P01; PL-A-504 Rev. P01; PL-A-505 Rev. P01; PL-A-506 Rev. P01; PL-A-507 Rev. P04; Planning Statement November 2022.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: PL-A-501 Rev. P02; PL-A-502 Rev. P02; PL-A-503 Rev. P01; PL-A-504 Rev. P01; PL-A-505 Rev. P01; PL-A-506 Rev. P01; PL-A-507 Rev. P04; Planning Statement November 2022.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

#### Informative(s):

- 1 Reasons for granting permission.

The proposed single storey flat roofed side extension would be a subordinate addition to the host building in terms of bulk, height and scale, set back from both the front and rear building lines, and mostly obscured in views from the street by the existing front boundary fence. The extension would infill an existing terrace and would be of the same height and similar scale to the side extension to the other side of the building, approved under planning permission ref. 2021/0136/P dated 17/05/2021, which would help to restore an element of symmetry to the building. The extension would be constructed in brick to match the host building, and the detailed design of the proposed glazing to the front and rear, clerestory window on all sides and zinc flat roof is considered acceptable. There is not a consistent pattern of development along Froggnal Way, and it is considered that the proposal would respect and preserve the design and proportions of the host building and the character and appearance of the Hampstead Conservation Area.

Given the scale and location of the proposed extension, it is not considered that it would have a detrimental impact on neighbouring amenities in terms of loss of daylight, sunlight, outlook or privacy.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

No objections were received prior to making this decision. The planning history of the site and surrounding area were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018. The proposed development also accords with policies of the London Plan 2021 and of the National Planning Policy Framework 2021.

Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel.
