2023/0529/T	Kerry walker	08/02/2023 10:55:47	COMMNT	The plans are extreme , and does not take into account for the water table being extremely high in the south Hampstead conservation, and is a main reason for their supposed protection! This simply must be scaled back !
2023/0529/T	Nix	08/02/2023 10:21:13	OBJ	<p>Why is no information provided that gives reasons why the proposed trees are being felled? I cannot access the .docx file as I get a message saying 'file cannot be downloaded securely' when I try to open it. I can find no description in the application file explaining why the trees described to be felled are being felled.</p> <p>Please can the Council look into this?</p> <p>Thank you.</p>
