Dear Sirs,

[REDACTED] The plastic fence with aluminium posts surrounding the garden is very noticeable from [REDACTED] the Road and from the Heath. [REDACTED]

[REDACTED] The plastic fence has replaced a wooden terrace abutting the Heath. It is not in keeping with the natural environment and will not weather to blend in with the Heath.

The fence, and in particular the posts are higher than the 1600mm in the planning application.

I believe the fence should be replaced with a lower wooden fence more appropriate to its surroundings and similar to the trellis it replaced.
