

## GENERAL NOTES:

Areas are approximate and subject to change throughout planning, design and development of the proposals.
Area measurement definitions have been taken from IPMS but area interpretations should be measured and verified by Quantity Surveyor
Planning Boundary shown is intended to align with proposed West End Project kerb extents along High Holborn. Post-submission amendment to as-built kerb line may be required
Museum Street landscape proposals are indicative only.
Hatches on the drawings are indicative only
Existing public realm elements based on survey.
All dimensions to be verified on site before proceeding.
Plant layouts are indicative only.
All materials shown or highlighted are indicative only and may be subject to changes made during detailed design development.
Planning Boundary shown is intended to align with proposed West End Project kerb extents along High Holborn, and is based on available information as submitted.
