sir/Madam:

I'm just back from holiday and I saw about the above planning permission, I would like to reject the planning proposal because it would invade my privacy and peace in my garden and it would cut out my sunlight. Actually they already cut out some sunlight by last year building onto their flat roof, and I don't want them to completely cut out my sunlight.

If you have any further inquiry please feel free to call me at

Thank you very much

Shirley Macleod
