Subject: tree trimming permission [E-CASE: d9hnwm, E-TICKET: 9dU3Ui]

I am Mrs Pauline Paucker, 1C Oval Road NW1 7EA.

I have a nespole tree in my front garden which I have to trim every year, best in February. I ask permission for a 20% trim each year - it is now over twenty years old and still flourishing but rather too thick.and tall. Please can you send me the necessary permission so that I can fix a time with the tree men.

Yours sincerely

Mrs P Paucker
