Good afternoon,

I'd like to discuss a recent planning application made. Unfortunately, the yellow notification poster has only just been placed on the lamp post outside of the property. However, the end date for submitting comments is well out of date having already lapsed over 3 months ago. Therefore I have not been able to make a comment on this application. , this application will greatly reduce the sunlight into my flat. As you can imagine, I am very concerned so would like to make contact in order to make my feelings in regard to this build clear.

Please contact me at your earliest convenience.

Regards,

Carol Orrow
