Re: Great Ormond Street Childrens' Hospital, Frontage Building Great Ormond Street London WC1N 3JH

Dear Sir/Madam,

I write in support of GOSH's application (2022/2255/P) for a new Children's Cancer Centre.

I recently joined the volunteering team at GOSH and have witnessed first hand the absolutely vital difference GOSH makes to so many young lives, everyday. To continue to do this, GOSH must invest the funds its charity raises to develop and modernise its facilities to provide the very best care as new solutions to combat disease and genetic disorders are found.

Specifically, this proposed development will provide access to highly-specialised and exceptional cancer care and treatment for children from across the UK and beyond.

This development will truly make a difference to so many lives. I am fully in support.

Kind regards,

Peta Bistany
