

Examples of internal 'pod' treatment (design intent), painted panels (no skirtings), 15mm 'lash-gap' detail at junction with original wall volumes/ party walls and at floors.

- LEGEND:**
- Period Skirting & Cornice to be introduced, in accordance with Conservation & Heritage best practice
 - Floor joists & boarding to be overhauled or renewed locally where required to restore structural integrity
 - Walls to be plaster skimmed & painted in Heritage Approved paint range colour. New internal 'pods' to be treated separately
 - Existing staircase to be retained to be protected during works and restored to original condition
 - New soot-washed brick closet wing to match existing, with lead-coloured single-ply membrane to flat roof
 - Renew/ replace limestone flagstones
- All original timber sash windows to be overhauled & made good to original condition. Modern windows to be replaced to match period existing in accordance with Conservation & Heritage best practice.
- Roof to be reformed, reuse existing slates where feasible, alternatively replace with Welsh slates to match existing
- Renew timber entrance doors & repaint black. Fanlights over to be renewed/ restored.
- New dormer roof & cheeks to be formed with Code 4 leadwork
- Remove existing mass concrete & PCC paving to garden and reduce level by 150mm to address damp issues

NOTES;

FLOOR AREA (GIA total No 64 & 65) - 752 sq M/ 7,867 sq ft

increase of 84 sq M

No of separate Rooms - 26 (excluding separate siting-lounge rooms)

Proposed General Finishes (to match existing):

Walls: Yellow London Stock brickwork, red brickwork soldier arches (rear), buff coloured lime pointing. Stucco ashlar render painted white (front). Clay tile creasing to parapet. Brickwork to be soot washed.

Roofs: Natural slate roofing, half-round ridges. Lead flat roofing & flashing. Timber glazed rooflights.

Windows & Doors: Painted timber single-glazed sliding sashes and casements, painted timber solid doors with glazed fanlights

Metalwork: Painted steelwork 'Julette' balcony

Hard-landscaping: Concrete paving slabs to rear & gravel.

Rainwater Goods & Foul Pipework: Black UPVC & cast iron type downpipes and guttering
