**Subject:** Save Museum Street

Dear Georgia Gould

Ref 2021/2954/P One Museum Street

I am writing to ask you not to give planning permission for the proposed new tower block at 1 Museum Street. It will blight the street scene when viewed from the steps of the British Museum. If more housing is required please consider refurbishing the existing block which is there

Thank you

Dorothy Jones

56 Windsor Road, London N7 6JL
