Dear Edward

I would like to draw your attention to planning application by 82 Hawtrey Road -
2022/5243/P

This application is to put in windows on the second and third storey of a permitted development.

If granted by Camden this planning application would set a new precedent to the estate as it would allow overlooking.

The permitted development for an additional storey specifically states that windows cannot be added to the side of the house.

[REDACTED]

We chose not to put in an application for a side window to respect our neighbours and because we believed this would not respect the permitted development law.

I look forward to your thoughts.

Many thanks
Deborah
