Description of the Proposal

Please note in regard to:

- Fire Statements From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or <u>access the fire statement template and guidance</u>.
- **Permission In Principle** If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>.

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

Modifications to the Gower Street and Malet Street moats to provide additional fire escape capacity from the Ground and Lower Ground Floor Levels and to meet fire safety requirements. Modifications include:

- Insertion of escape stair to each of Gower Street and Malet street moats
- Modifications to existing balustrade railings at pavement level on Gower Street and Malet Street for insertion of new gates
- Replacement of the existing doors into the Gower Street and Malet Street Moats at Lower Ground Floor to provide additional escape width
- Insertion of fire rated secondary glazing to inside reveal of windows at Lower Ground Floor adjacent to new stairs.
- Localised re-routing of services within Gower Street and Malet Street moats (below pavement level)
- Relocation of cycle racks from Gower Street moat to new secure location within building.

Has the development or work already been started without consent?
