

Job Profile - Management Accountant

Job Title: Management Accountant

Job Grade: Level 4.1

Salary Range: £40,652 - £46,779

About Camden

Camden is building somewhere everyone can thrive, by making our borough the best place to live, work, study and visit. This is because, we are not just home to UK's fast-growing economy. We are home to the most important conversations happening today and we are making radical social change a reality, so that nobody gets left behind. Here is where you can help decide a better future for us all. This is an exciting time to join Camden's Finance service as a Management Accountant supporting the Adult Social Care service.

About the role

To support Adult Social Care Service Business Partners in providing a robust and responsive financial business partnering service to a Directorate/Director/Head of Service/Budget Holder/Budget Manager, that includes but is not limited to financial management, project support & advice, management accounting, reporting, budget holder enablement, statutory returns and stakeholder relationship management.

As well as working with the wider finance team, you will also have opportunities to engage with a range of budget owners within Camden's Adult Social Care Department, maintaining strong working relationships across the finance function and front-line services. Example outcomes or objectives that this role will deliver:

- Financial reports, including analysis for a directorate or any given area(s) are accurate, timely and presented in an appropriate manner for the audience intended
- Provision of management accounting advice & support that identifies opportunities, risks/issues and facilitates better decision making & identification of opportunities and business development
- Provide analysis & information for business partners as required
- Identifying and help to resolve financial problems/issues in any given area(s)
- To enable managers to carry out their own day-to-day financial management responsibilities with minimal input from Corporate Finance, including budget holder enablement, training and on-line support
- Represent finance in change programmes and relevant meetings
- Committee reports are based on accurate financial information and robust financial analysis
- Complete Statutory and other returns, where relevant

About you

To be successful in this role, you will be AAT qualified, studying for a CCAB or equivalent professional qualification, or part CCAB or equivalent qualified.

You will demonstrate excellent analytical skills, be able to interpret financial data and apply logic and judgement. You will be organised and able to work both independently and with other team members.

You will have knowledge and understanding of financial planning, management and financial frameworks in a large organisation. You will be good at identifying and resolving problems/issues and able to communicate well.

It would be desirable to have some experience and understanding of Local Government, in particular Adult Social Care. It is essential to be motivated and willingness to learn.

Work Environment:

The post-holder will be required to work in an agile way in line with Camden's move to a flexible work environment.

People Management Responsibilities:

No direct line management responsibilities.

Relationships:

The post holder will report to the Service Business Partner and Team Leader. Other key relationships for the post holder will be:

- The Head of Finance for the appropriate directorate in terms of their role of having overall responsibility for financial business partnering
- Business Advisors
- Service Directors, SMT, Budget Holders and service managers for change projects and the operation of finances within their areas, and the information, tools, and skills development to enable them to manage finances
- Other support services, including HR and IT, to ensure that there is a consistent and common approach to the approach to ensuring managers have the tools to carry out their business
- Business partners across the directorate finance services, and colleagues in technical and strategy areas of finance as appropriate

Over to you

We're ready to welcome your ideas, your views, and your rebellious spirit. Help us redefine how we're supporting people, and we'll redefine what a career can be. If that sounds good to you, we'd love to talk
