

WG.01  
- Replacement windows shown in context

Window WG.01  
Scale: 1:20

Timber Box Sash Window  
4mm single glazing  
Sash horns to match existing

1no required

Proposed replacement windows are to have timber framing and glazing bar profiles to match historic windows to property.  
The proposed new windows are to replace dilapidated non-original windows.

External Elevation, Rear (North)  
Scale: 1:50

Abnormal or unusual residual risks associated with the design outcomes shown on this drawing are:-

DDC LTD has followed its Design Risk Management process for Hazard Elimination and Risk reduction in developing the designs shown on this drawing. Abnormal or unusual residual risks may be shown above where it is considered that such risk may not normally be expected by competent persons engaged on work of this nature or type.
