Subject: O2 Centre redevelopment

Dear Mr Fowler

Ref O2 Centre 2022/0528/P

I have viewed the Planning Application for the redevelopment of the O2 Centre off the Finchley Road and would like to voice my objection to the project. It is completely out of proportion to the site, out of character with the environment, too ugly, and will badly damage our neighbourhoods.

The massive construction projects approved by London boroughs are changing and overwhelming the character of old London, which his so special.

And how much can London's infrastructure take?

Please stop this project.

Thank you
