I am writing to you to show my support for the O2 Centre Masterplan proposals (planning reference 2022/0528/P).

I support the proposals because the existing centre and car park is not currently making best use of this site. We are in desperate need of new, high quality private and affordable homes, and I'm pleased to see these have been thoughtfully designed as part of the proposals.

Retail is changing and the proposals will better meet the needs of local residents, bringing much needed investment and modernisation to an outdated centre.

With excellent transport links, the site is perfectly positioned to deliver a sustainable new community.

Yours sincerely,

Sam Delahay
