Dear Mr Fowler, I am writing to you to show my support for the O2 Centre Masterplan proposals (planning reference 2022/0528/P).

I support the proposals to turn the site into new affordable homes and shops, public parks, a new health centre, community centre, and nursery, and the plans will retain the supermarket, cinema, and gym in the new development.

Your sincerely,

Alex Howard

Dear Mr Fowler, I am writing to you to show my support for the O2 Centre Masterplan proposals (planning reference 2022/0528/P).

I support the proposals to turn the O2 Centre, car park and surrounding land, into new homes and shops, two public parks, and a health centre, community centre, and nursery.

I think this is a really important opportunity to improve the somewhat rundown area in recent years, create better quality housing and give new job and leisure opportunities to residents of the community.

Kind regards,

Viktor Sebek

Dear David Fowler, I am writing to you to show my support for the O2 Centre Masterplan proposals (planning reference 2022/0528/P).

I am supportive of regeneration projects and the jobs and opportunities they bring, and believe that this site in particular could be much better used, as it is currently blighted land.

I am pleased that this Masterplan proposes using the land for housing; I would like to see greater housing density here.

Your sincerely,

Geoff Leong
