Hi David,

I am writing to support the O2 Centre proposals for the planning reference number 2022/0528/P.

Overall the plan improves the lives and safety of hundreds if not thousands of people who live within the areas of West Hampstead and Finchley Road.

Hi David,

I am writing to support the O2 Centre proposals for the planning reference number 2022/0528/P.

We need housing urgently. Homes are out of reach for too many people because the nimbys are very successful in making lots of noise and thwarting much needed housing projects.

This is prime brownfield land. please let this go ahead and increase the number of homes on the site

Kind regards,

Alistair

Keep the original charm of the area and keep cheap parking. Include some public art that ties to the area; email UP Projects if you require help.

Kind regards,
