Hi David,

I am writing to support the O2 Centre proposals for the planning reference number 2022/0528/P.

However I would add I only would support this should there be sufficient genuine affordable housing. At the moment the area does not have enough of this, and we do not need to add more expensive places to the neighbourhood

Sam

Kind regards,

Sam Wright

Hi David,

I am writing to support the O2 Centre proposals for the planning reference number 2022/0528/P. Although I still believe we need a car park perhaps not that big. We also need a big supermarket for the weekly shopping and a place to load the car.

Kind regards,

Moira zanatta
