Subject: Tree works request-23 Oval Rd NW1 7EA

Dear planning team, we would like to request permission to trim back this tree in the front area of the property by 30% in order to prevent roots from further damaging the exterior section at front of property.

Please confirm the tree in the photos is not protected and that we can proceed after 6 weeks if we do not hear from you.

Address: 23 Oval Rd, NW1 7EA.

Many thanks.

Kind regards, Simone Cunliffe.
