

Subject: 02 re-development plans- Objection

Dear Sirs.

I am writing to oppose the re-development of 02 centre to residential high rise tower blocks of flats.

This massive scheme will ruin the character of the local area.

There will be too many people coming to the area , loss of the community spirit currently with the 02 centre.

Loss of large supermarket and car park servicing the local residents and people who come from out of the area to use facilities both day and night.

Loss of OAP provision .

Burden on local public transport with excessive amount of people using the same bus and tube routes .

Crime will increase as a result of scale of both social and private housing, additional security and policing will be necessary.

It is shocking that local residents have not been consulted before the application was put forward .

Looks like those involved are directly in line for direct gain!

This scheme needs to be stopped before our local area and community are totally ruined !

Yours Faithfully

Beverly Barnett
