

MMA SUBMISSION SUPPORTING NOTES

The main revisions to the drawings to be considered under this MMA application are:

South-east elevation (MMA drawing 2110-121A; Planning approved drawing 1910-P2-121 (amended to 1910-P2-121A):

- Ground floor brick changed to grey glazed brick
- Stone reconstituted stone framing to ground floor entrance and RHS full windows introduced.
- LHS windows changed from full height glazed screen with doors to 'strip' window with sliding glazed panel.
- Entrance doors changed in detail.
- Entrance doors to Story Centre changed.
- 'Story Centre' signage added. Big Coram sign removed.
- Double height glazed screen (first and second floors) to Library changed in proportion and detail – top hung opening windows changed to sliding, spandrel panel introduced. Equal spacing of vertical mullions introduced to give regular order.
- Detail and proportion of LHS strip windows and vertical stair window adjusted.

South-west elevation (MMA drawing 2110-124A; Planning approved drawing 1910-P2-124 (amended to 1910-P2-124A):

- Ground floor brick changed to grey glazed brick
- Second floor window shown (as per amended approved drawing 1910-P2-124A)

North-east elevation (MMA drawing 2110-122A; Planning approved drawing 1910-P2-124 (amended to 1910-P2-124A):

- Ground floor brick changed to grey glazed brick
- Entrance/exit door introduced.
- Proportion of window adjusted.
