Good afternoon Alan,

I can confirm that we have no objections to this proposal.

I understand from John Myers that SCS are not going to provide cast iron grilles for non-listed historic properties where plastic grilles have already been fitted - I presume this is outside of any CAACs?

kind regards,

Hello Luisa

My apologies, I've just double checked at the application hadn't been registered properly, hence why it did not show up when you tried to view the documents.

All the information is now visible so if you could let me know your thoughts on the proposals as soon as you can it would be appreciated. It's for the usual type of HS2 noise insulation proposals, as far as I recall there is nothing out of the ordinary proposed.

Thanks

Alan
