| 2023/0482/L            | The Charities<br>Advisory Trust | 01/03/2023 14:54:23 | COMMNT          | I wish to object to planning application 2023/0482/L.<br>These houses are a conservation area but with the constant expansion, with additional storeys , they lose the character for which they should be valued. Also, the constant building work in flask walk, involves noise disruption, pollution and loss of residents parking.<br>The building works carry on, apparently with no requirements for rules on completion. None of the projects bring benefit to the neighbours or those in need. |
