2022/0528/P	Robert Leane	06/03/2023 12:16:59	OBJ	I OBJECT: - Loss of the O2 which I use regularly - The plans are completely over the top in an area that is already over congested - it will ruin the skyline (despite being surrounded by conservation areas) - The Finchley Road and surrounding areas are already at breaking point - insufficient infrastructure - I am not aware of any local residents in favour of this - 15 years of noise and construction.
