2023/0574/P	Camden Town CAAC	04/03/2023 12:36:12	OBJ	<p>The Camden Town CAAC objects to the infilling of the gap between the rear of 85 Camden Street and the smaller scale houses on Pratt Street. Gaps such as this one, which allow views into the centre urban blocks, the rear of terraces along with glimpses of greenery in gardens, are characteristic of the 19C housing development in Camden Town and should be preserved where extant.</p> <p>Whilst the current three storey rear extension is of poor quality and has not been constructed in accordance with approved plans (windows having already been blocked up in anticipation perhaps of this application) there nevertheless remains a reasonable distance between the buildings which this proposal would completely infill.</p>
