2023/0700/T	Florence Farman	06/03/2023 23:19:26	OBJ	<p>We have been tenants in the building for more than seven years and we strongly oppose the proposed felling of this bay tree.</p> <p>West End Lane is a busy, loud, and highly polluted street. The tree is a welcomed touch of greenery in this urban environment.</p> <p>Furthermore, in the current context of environmental protection, it seems quite unnatural to suggest the felling of a tree. This decision would be contradictory to all the initiatives in favour of green spaces conservation and restauration.</p> <p>So, unless the residents in the flats directly facing the tree experience major nuisance emerging from its presence, we see no reason why the application should proceed.</p>
